

What an awesome God we serve!

If you are reading this, you've made it into a new year and a new season of possibilities. This year our focus is BIG RISK, BIG REWARDS Romans 8:31

As a church we experienced tremendous growth in 2015 and would like to keep the fire and momentum going. Here are a few of last year's highlights:

- 32 people gave their life to Jesus Christ through the walk of salvation
- 17 new families joined the membership of the Empowerment Center church
- 203 children received gifts during our Annual December Bless Fest event
- 200 singles and families were fed during our Annual Dinner and a Word event
- 1,200 phone calls were made to members, visitors, and community residents to encourage
- 8 families received prevention services and were able to avoid eviction
- 3 inmates received reentry counseling which led to early release from state prison and employment
- 56 families received groceries within the Arbor Hill Community
- 100 children within the City of Albany received free school supplies

The list could go on and on, and while there has been a lot of good, it hasn't been without challenges but we made it! As we embark on this New Year we want to ensure you are able to take your spiritual, mental, physical, emotional, political, and financial goals to another level.

Will you partner with us?

This year we want to ensure that our children have safe neighborhoods, better education and awareness, leaders and mentors, and an understanding of Christ and the knowledge to choose their religious association. Most importantly we seek to provide tools to ensure that our youth, young adults, and adults are able to be productive citizens and reside in neighborhoods that are thriving.

We invite you to check out our Sunday worship experience.

We believe that God has an incredible purpose for your life!
